

YCOMMUNITY DEVELOPMENT™

We build strong kids, strong families, strong communities.

New Balance Ringling Bridge Run VI - January 24, 2009

The annual Ringling Bridge Run is the largest of its' kind in Southwest Florida. It is also the cornerstone of the YMCA's fundraising initiatives that support programs and scholarships at the Bari Brooks Teen Center and our after school programs.

These critical YMCA programs serve more than 1,000 children in both the state-of-the-art teen center and at 10 after school sites throughout Sarasota County. Your generous support as a race sponsor will not only provide significant value for your organization, but it will also help fund programs that help our community's children develop healthy lifestyles, leadership skills and strong characters.

Race Course Sign Sponsor Opportunity

Join the Fun! Get your organization great exposure and cheer on the runners. For a \$100 donation you receive a sign prominently placed along the race course.
